

# Keys for a Successful Week At Yawgoog Scout Reservation

1. **Payments** - Payments are due either before or upon arrival to camp. Refunds will only be made to qualifying medical/family reasons.
2. **Arrival Time** - Arrival is scheduled to start at 3:30 PM at the Bucklin Memorial building. After checking in at the Bucklin, you will check-in with our medical staff at the health lodge. After payment and health form is checked you may proceed to the campsite. **No Personal Vehicles or Pets**, with the exception of service animals, will be allowed beyond the parking area.
3. **Ferry Transportation** - If you are from Long Island and plan to have your scout arrive at camp by ferry, please be sure to call the camp and let us know so that we can be sure to arrange for adequate transportation. No scout attending provisional camp should be on a ferry without proper notification of camp officials. Bus transportation will be available to and from the Long Island Ferry. Registration and payment for the bus is available online at <https://www.yawgoog.org/ferry--bussing.html>. Please call camp at 401-539-2311 if you have any questions.
4. **Medical Forms** - Every scout on the reservation must have a completed BSA health form (Parts A, B, & C) signed by a physician and a parent. No scout may stay on the reservation for any period of time without this form. If your scout has attended camp earlier in the season with their troop or provisionally, we will move the health form on file to the current provisional week. This CAN be a photocopy of the one used with their troop.
5. **Medicines** - If you are sending any medicines to camp, please be sure that they are listed on the medical form. All medications should be in original prescription containers and will be maintained either by the Campsite Scoutmaster or the Health Lodge Staff as determined by storage requirements and Reservation Staff. All unused medication must be picked up at the end of the week.
6. **Visiting Camp** - The scouts will be operating on busy schedules as they seek to complete their advancement or program for the week. Accordingly, any interruptions can be very disruptive to their progress. If it is necessary for you to visit your scout, please check in at the Bucklin first and we will have a staff member locate them in accordance with their schedule.
