Leaders Meetings

The dates have been posted for this years leaders meetings. We are adding a leaders meeting to this years April Leader's Meetings to Milton, MA. If it is closer for you to attend a meeting that is not in your state, please feel free to attend. If you can not make a meeting, there is a zoom option, which will be available for up to 500 people on April 18th, and will also be recorded and posted online for those who are unable to attend. These are great opportunities to help get onboarded for Camp Doc, as well as get all the updates and changes to program and procedures this year. www.yawgoog.org/leaders-meetings

Camp Preparations

The 2023 Merit Badge Schedule and updated Pre-Requisites have been posted and are available here:

Camp Doc

Provider access will be given to scoutmasters first. If you are receiving this email it is because you're a primary contact and will be given provider access. You will have the responsibility of uploading the roster of the members of your troop to Camp Doc, so they will have access. Video tutorials and directions will be provided once access is given out. Stay tuned for more details.

Staff Employment Opportunities

We are still recruiting for the 2023 season. If you have scouts who are 15 years or older, we still have opportunities for them this summer. Scouts who attend college are eligible to receive a scholarship. Last year we gave away over \$43,000 in scholarships. We're excited to provide these scholarships to youth who are looking to further their education. www.yawgoog.org/jobs

Summer is getting closer each day now. I look forward to seeing you all soon.

Gratefully,

Jonathan DiLuglio
